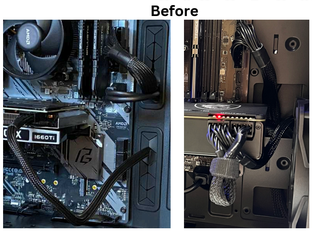
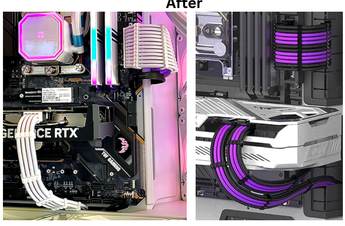
## Sleeved Cable Example

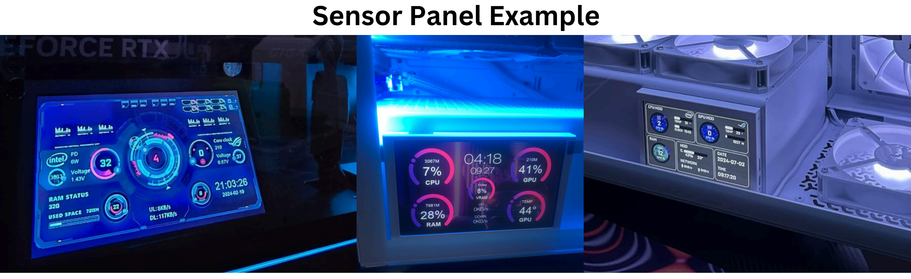
**Before**



**After**



## Sensor Panel Example



- This computer has been fully customized to meet your preferences and can be further adjusted upon request.
- The computer will be hand built once all parts are sourced and gathered, please allow a few days for shipping times on some components to be received.
- All parts will be purchased brand new with manufacturer warranty.
- Parts are subject to availability. If specified part is unavailable, substitution will be made based on best judgement. This generally falls under different brands of same part.

**PAYMENT PROCESS**

Upon selection of the preferred option (A,B,C,D) several case choices will be provided for the buyer's consideration.

A 50% non-refundable deposit is required upfront, which will be applied toward the final balance. Once the deposit is received, all necessary components will be procured to begin the build process.

Please allow 3–4 business days for the completion of the build. The remaining balance will be due in cash at the time of pickup.

If you have any further questions, please feel free to ask! Thank you
